Official Rules, continued

By submitting an artwork to the Impressions Program, entrants accept and agree to be bound by the official rules for participation as well as the entry requirements for their specific arts category. Any violation of these rules may, at PTO's discretion, result in disqualification. All decisions of the reviewers regarding this program are final and binding in all respects.

1. **ARTS CATEGORIES.** There are six arts categories—dance choreography, film production, literature, music composition, photography and visual arts. Students may enter the Impressions Program in one or more arts categories. See each arts category rules for additional entry requirements.
2. **GRADE DIVISIONS.** Students may enter in the appropriate division for their grade (Primary: Preschool; Elementary: Grades K–5; Special Artist: All grades welcome). See Special Artist Division rules for entry requirements.
3. **HOW TO ENTER.** Entrants must submit their artwork and completed Student Entry Form to the PTO according to PTO procedures. Entrants must follow requirements and instructions specific to each arts category and grade division. See the Impressions website at <https://PTOimpressions.weebly.com> or contact Roberts Elementary PTO for deadlines and additional information.
4. **ENTRY REQUIREMENTS.** (All participants must also follow arts category rules and, if applicable, Special Artist Division rules.)
 - Only new pieces of artwork inspired by the current year's theme may be submitted.
 - Each entry must be the original work of one student only. An adult may not alter the creative integrity of a student's work. Because the program is designed to encourage and recognize each student's individual creativity, help from an adult or collaboration with other students is not allowed except in the Special Artist Division. Other individuals may appear in or perform a student's work, but the work itself must be the creative product of one student only. Only one student may be recognized as the award recipient for each entry. See the specific arts category rules and special artist division rules for details.
 - Each entry must contain a title and all entries must include an artist statement. The artist statement communicates what inspired the work, how it relates to the theme, and the content of the work. The statement must include at least 10 words and not exceed 100 words.
 - Use of copyrighted material is prohibited, except for background music in dance choreography and film production entries. If used in dance choreography and film production entries, background music must be cited on the entry form. Plagiarized entries will be disqualified. Use of PowerPoint templates are prohibited.
